Macandrew Bay School

Simply the best for our children.

4 November 2020

Kia ora koutou katoa

It has been a good week at school with lots on and a bit more warmer weather to enjoy.

We have started our 'Painted Poems' art project with Toroa the first class to get underway and Tui class will get their turn next Tuesday morning. We loved seeing the Playhouse Theatre travelling group perform 'Chilled' on Tuesday afternoon and a large group of senior students enjoyed a fantastic day at South Zone Sports on Wednesday. We had a really good Fair meeting on Wednesday night and plans are really falling into place for a great fair on the 29th November. Thanks to all involved as it will be a real team effort. We appreciate Leana Campbell saying she will take a leadership role for the Fair too.

Christmas Boxes

Last Friday four children from Toroa Class were chosen to deliver the 27 Christmas Boxes we made with the profits from our class fair.

We found out that the boxes will be going to the Pasific Islands.
The kids that receive the boxes only get these boxes once in their whole life so this is very exciting for the kids when they get them.

This wouldn't have been able to happen without our generous support from the Macandrew Bay School families who donated their used toys and gave their children money to spend at the class fair.

Thank you from Harper and Maeve
On behalf of Toroa Class

SOUTH ZONE ATHLETICS DAY THIS WEEK

We had about 28 Senior children who took part in the South Zone Athletics Sports on Wednesday. Matt Direen and Tyler Wilden could not speak highly enough of their great attitude, excellent effort and superb behaviour. We are very proud of them all!

These are all the children who got to take part:

James Wells, Finley Rowe, Eden Brummitt-Rodriguez, Jacob Tauefu, Dylan Coe, Oliver Levy, Jimmy Hinds, Harry Barker, Reuben Ure, Felix Kaan, Mack Ponting, Hunter McLean, Roinga Lawrence, Isla Scott, Grace Steel, Kaia Adamson, Olivia Buckby, Ditte-Sofie Kjaergaard, Harper Reynolds, Kate Campbell, Nelly Hedley, Loyaltee Forde, Faith Abbott, Marley Reynolds, Nora de Lange, Sam Bell, Lila Galloway, Sophie Ward.

Many children did extremely well and we will certainly have a number who will go on to qualify for the Otago Athletics Champs later this month on either the 17th or 19th of November. We have put some of the photos from South Zone sports day at the end of the newsletter for you to see. Thanks to Susan Davies for the photos and thanks to all the parents who helped out on the day with transport and supervision.

EXPERIENCES AT SCHOOL NEXT WEEK:
MARIMBA BAND GOING TO TAKE PART IN THE MARIMBA FESTIVAL- 9 NOV

Nineteen children from our Year 6 class are going to take part in the Marimba Festival with Joy Chilcott on Monday morning. They will travel by bus into the Festival to join with other schools, leaving school promptly at 9am and getting back to school at about 12pm. Thank you to the three parents who are helping with supervision of the group.

Many thanks to Joy for her work preparing the children at lunchtimes and well done children for giving up your lunchtime play to get involved in this cool music making opportunity. You will have a great time I'm sure and all those marimbas should sound great playing together.

PIRLS INTERNATIONAL READING TEST INVOLVING OUR YEAR 5 CLASS

Our school has been randomly selected to be one of the 200 NZ schools that will be part of the International Reading Literacy Test called PIRLS. This tests children at certain ages all around the world on their reading comprehension skills and attitudes to reading and then countries have comparative data on how they are doing in terms of reading success and achievement. The study is run every five years and this time about 50 countries will take part.

The Year 5 children have letters coming home to you today that explain all about it and what will be involved. There is a questionnaire for each family to fill in and complete and staff have this to do too. Two visiting administrators come to do the test with the children and it is all done on chrome books. This is all going to happen on Wednesday morning next week the 11th of November and it will be broken up into two 40 minute sessions. The work involves our Year 5 learners completing a reading test and then a questionnaire about themselves.

We are telling the children about it today in the week prior to the assessment, but they should be encouraged not to feel anxious about it. The assessment is being done on digital devices. The PIRLS Research team in the Ministry will provide certificates to the children who take part.

The data is *confidential* and no information will be included that could allow individual students, teachers and schools to be identified. The school will not use these results for any purpose other than the research aspect for which it is intended.

You will also receive a letter about the study as well as a questionnaire to complete. Although I may not be able to answer your queries fully, please feel free to come and see me if you do require further information.

FAIR PLANNING- 4 WEEKS TO GO!

Our next Fair meeting will be on Thursday Nov 19th at 7pm in the School Library. We have started sending weekly notices home about the Fair on a different day to newsletter day so look out for that information in the school bags and in your emails, usually on a Wednesday.

Serious planning for our pop up **Fair on Sunday the 29 Nov** is now well underway. We had a great turn out to the Fair meetings we have had and plans are falling into place.

We really need lots of support from all families to help make our fair a success, both before the fair and on the day. We are asking parents to volunteer to help with a specific stall or job and have set up a large whiteboard in the Learning Street where we can show all the jobs we need help with and you can write your name up beside the fair stall or activity you would like to help with. Call in when you are picking up or dropping off your children and see what appeals to you and pop your name up on the board. We would really appreciate your help! Thank you everyone. If we get plenty of names we can arrange shifts so that we might only have to do part of the fair on a stall and can get to enjoy what is on offer for part of the time ourselves.

We will ask each family to do baking for the fair and to donate chocolate and other prizes for the Chocolate wheel. It will be a simplified Fair, but still a great opportunity for the community to get together and catch up with each other. It will require a real team effort to pull it off, but Macandrew Bay is brilliant like that and I am sure we can do it.

Hopefully our school community members who are gardeners have been potting up seedlings and cuttings in preparation for the Fair for us.

It would be fantastic if high quality, excellent condition clothing could be saved to donate and also good condition toys and books that are no longer wanted are put aside to donate. We will be asking people to hold on to these until we are even closer to the fair and will then ask them to be brought to school just a week or so before the fair will be held, just in case we have a rapid change of alert levels.

We can start receiving toys that people would like to donate if your children no longer need or use them from now. We will keep them in the pool area until the Fair and then set them up in Karearea classroom at the Fair.

DONATION SCHEDULE:
We need to manage the storage of the donated goods over the coming weeks so will be asking for different items at different times. For your planning purposes:
November 2 – 13 TOYS -drop-off to the Pool.
November 16-20 CLOTHES drop-off to the Library, behind the pirate ship.
November 20-26 BOOKS drop-off to the Learning Street

CHOCOLATE WHEEL:
This Friday November 6th, we have started having a "Bring some Chocolate to School" day each Friday for the next 2 or 3 weeks. **If your children could bring some chocolate items along to school each Friday it would be greatly appreciated. We are going to give a prize of a pizza lunch for the class that brings the most chocolate over these three weeks.**

The Fair is a great way to reduce, reuse and recycle within our community and it is great to know that things your child and family no longer need or use are being used and enjoyed by others and generating money for the school at the same time.

Things that would be helpful for the fair:

- The loan of waffle irons
- The loan of BBQs
- Spare ice cream containers for money floats
- Banana boxes to display the books in for the book stall
- Sturdy Clothes racks to hang clothes on (named)
- Recycled paper bags to give people when they purchase things

PAINTED POEMS- ARTISTS IN SCHOOL PROJECT- TUESDAY MORNINGS NOVEMBER & DECEMBER

Kerry Mackay and Pamela Brown will come and work with a different class each Tuesday morning on an art project called Painted Poems. This is great for experimenting with different paint techniques, creating lovely little word paintings, and also enjoying New Zealand poetry.

They will made a start with Toroa this week and it will be Toroa's turn on Tuesday, the 10rd of Nov. The class create a collaborative painted version of the poem by each taking a separate bit to do and then assembling it into the finished poem. We will use our art auction funds to provide funding for this project.

ART GALLERY TRIPS COMING UP THIS TERM 23 NOV-1st DEC

We would love to know if some parents are able to join us for our Art Gallery Trips in November and early December. I know parents need notice to allow them to juggle things around to come with us so here are the days and times that each class will be going and we will include a tear off slip at the back of the newsletter. Parents are welcome to come on the bus with us or meet us in at the Art Gallery in the Octagon. We do need to have some parents on the bus with the teacher for safety reasons, so it would be great if not everybody meets us in there. **We have had to swap afternoons for Toroa and Kowhai class because many Toroa children going to Tahuna next year will now be going to Tahuna for an orientation visit that day**

PARENT ASSEMBLY DATES- Change of date 4 Dec and 14 Dec

The first parent assembly this term will be held on Friday the 4th of December and it will be our special Maori Cultural Celebration assembly.

The Final Assembly is very much a farewell assembly for our Year 6 children and others and that will be held on Monday the 14th of December, probably starting at 1.30pm but we will confirm that time later.

MAORI CULTURAL CELEBRATION ASSEMBLY- FRIDAY 4 DECEMBER

We are preparing for a special Parent Assembly later this term when we share Kapa Haka, waiata and our love for learning te reo Maori with you, our whanau. **This will be on Friday 4 December in the afternoon.** This is a change of date as unfortunately I had a clash with the previous date of 20 Nov and we needed to change it. We didn't want to go to the next week because of getting ready for the Fair that weekend.

With Polyfest being cancelled this year we really wanted to give our keen Kapahaka children a chance to perform to an audience in 2020 but we also want to give each class a chance to perform as well, and we will do some whole school items too. We are really looking forward to the afternoon and hope lots of you will be able to come along and join us.

TEACHER ONLY DAY – WED 16 DEC- School closed for instruction

The teachers will be having a teacher only day on Wednesday the 16 Dec where we will plan and prepare for 2021's curriculum programme and also review and analyse the 2020 year, and think about our learning priorities and next steps.

The school will be closed on that day. We did signal this back in Term 1 but I am reminding families about it now so it doesn't come as a surprise in December.

We will finish the school year the following day on Thursday 17 Dec at 12pm midday.

SUNHATS

In Term 4 the children are required to wear a named sunhat at school. It would be great if you could dig these out over the holidays and have these ready for the first day back. It is really important they are clearly named so if the children leave them lying around they can get back to their owners.

QR CODE TO SCAN

All schools and early learning services are still required to display a QR code poster for the NZ COVID Tracer App in a prominent place at or near the main entrances to school.

Although we are now in Level 1 it is still **strongly encouraged** to still use this App to make contact tracing administration a lot easier if needed.

Please update your contact details if they have recently changed. Email admin@macandrewbay.school.nz to let Irene know a new address or new phone numbers or work details.

HEADLICE

It seems we have got headlice back in the school as we have heard from a number of parents about this so please keep a close eye on your children's hair and if you find anything please get them treated straight away. If we are all vigilant we have a much better chance of minimising the risk of your child catching headlice off others. If your child has long hair it is probably best they tie their hair back into a ponytail or similar.

MILK IN SCHOOLS RESUMING THIS TERM BRIEFLY

As you know we give out Milk for the school that Fonterra has provided to us in individual cartons, but this is using up too much plastic and packaging. We have moved to larger cartons and have come up with a new system. This will be the last term of milk in schools as Fonterra are stopping this programme at the end of the year.

We ask that you please bring your own named plastic cup and so when we come around to your classroom we will pour your milk into your cup. You can wash it out after using it and leave it at school or take it home with your lunchbox each day and bring it back the next day. We will start this routine next term.
This will help us, and the environment.

FUTURE ENROLMENTS AT MACANDREW BAY SCHOOL

We need to have up to date information about children who are likely to attend our school in the future and so if you have a pre-school child or know of a neighbour or a friend with a child who plans to send them here in the next few years and who lives within our school zone then please get them to ring or email the school with the child's name, date of birth, address and parent's contact phone number. That would be really helpful for us in

planning for the future. Thank you to the families who have responded to the email we sent out this week and emailed us the details of your pre-school children. It has been great to get that information emailed through to us from a number of families.
Children usually start coming along for valuable pre- school visits to the New Entrant classrooms about 4-6 weeks before they are due to start and this helps them transition successfully to school. Get in touch with us here at school about 2 months prior to your child's birthday to get this all arranged.

LUNCHES ONLINE

If you want an easy lunch order option for your children sushi and pizza can be ordered and prepaid for on the lunchesonline website. Check it out and sign up for our school orders if this is something you are interested in.

Sushi weekly every Wednesday.
Hell Pizza first Friday of every month.
Dates for Pizza coming up are: **6 Nov, 4 Dec.**

COFFEE FOR KINDNESS

Coffee for Kindness is an idea that has come from Rebecca and Nick (owners of Common Ground Espresso) to sell coffee through schools and we got underway with this in Term 1.

100% of the money you pay goes to charity, with 70% of it going to a charity chosen by the senior pupils in the school and 30% directly to the school.

Message Rebecca if you would like to place an order by messaging on facebook @coffeeforkindness or text 021393003
The office area smells amazing on Thursday afternoons when Rebecca delivers the coffee for parents.
Rebecca let me know yesterday that $4000 has now been raised this year from Coffee for Kindness sales which is really wonderful. This is super good for the charity or charities that will benefit, as well as for the school. Thank you Rebecca and Nick.

PAUL WHEELER, local artist and his print of Macandrew Bay School as a fundraiser

Paul recently came and spoke to the three senior classes in Term 1 about how he creates his digital art and showed the children the creative process he goes through using his i-pad, drawing skills, and his photographs.

He has created a really cool digital artwork featuring children at play here at Macandrew Bay School and he has shown the children the stages and steps in the process he went through to create the work.

If you went to the Peninsula Artists exhibition in at the Railway Station upstairs in the Art Society space you will have seen this work on display there. The school has bought a copy of this artwork that we look forward to displaying in the school.

Paul has generously offered that if any of our parents are interested in getting a copy of this artwork he will make unframed prints available as a fundraiser for our school- $100 for a print sized 45x 30cm and $65 for a print 30x20cm. If you are interested please email school and let us know principal@macandrewbay.school.nz or admin@macandrewbay.school.nz
We have prints at school of both sizes to view now

HOME & SCHOOL

We need lots of ice cream containers for floats for the fair so if people could please bring some into the office that would be amazing.

PLANT STALL – MACANDREW BAY SCHOOL FAIR

Hello parents and friends of Macandrew Bay School. Hopefully you have all been enjoying time in your gardens over the Labour weekend break.

Please pot up extra seedlings you have about your garden, plants that need splitting, cuttings you have done, succulents or houseplants.

It would be wonderful if you had a label on your contributions so our fair goers know what they are buying (and we know what we are selling), nothing fancy just a basic tag with the plant's name.

Plants can be dropped to the school on the last Friday before the fair. Please leave them under the veranda outside the Tui classroom preferably at pick up on the Friday or the Saturday morning. We are hoping to have some bread trays for the plants to be put into.

We are looking forward to gathering together your plant donations this year.

Thanks,
Katherine Cooke, 0274783337

SHORT-TERM RENTAL WANTED

Hello, We are a family of New Zealand citizens currently living in rural Scotland. We previously lived in Dunedin for 12 years. We're hoping to stay in the Mac Bay area from January to Easter 2021. We have some work to do in Dunedin and hope for our son (age 7) to attend school locally during this period. Ideally we are looking for a sunny, furnished, 2 bedroom property with a view but all options considered. (House swapping with our home in rural Scotland also an option.) We are a tidy, friendly family and can supply local references. Please email jennymchamberlain@gmail.com or talk to Fiona or Andrew Jack if you think you may be able to help.

Di AND VIV AND ROSE

Get your besties together to see this West End smash-hit by Amelia Bulmore about three women who meet at university and form a lifelong friendship, through good times and bad. This funny and moving play is a celebration of female friendship across four decades and stars Lara Macgregor, Julie Edwards and Jodie Dorday. Mayfair Theatre, 18-22 November. Ages 16+. Sunday November 29th

Days to go: 25

The Fair countdown is on and a keen group of our parents and staff met two weeks ago and are **meeting again tonight at 7pm in the School library to get organised and progress our planning! All are welcome to join us**. If you are not able to make it and can offer a couple of hours of support on the day, the set up day on the 28th, or leading up to it, we will really appreciate your help so sign up on our whiteboard!
The goal is to make fun happen this year, so the more support we have, the more fun we can make! Helping out is a great way to connect with the school community too.

SIGNING UP:
In the learning street, there is a whiteboard that has the activities we are planning to run – the coordinator for each is listed and they will all appreciate kind community folk signing up to lend a hand. This could be a great way to meet new people or share your skills. If it is not in the Learning Street then you will find the whiteboard in the Library instead.

CHOCOLATE WHEEL:
This week **on Friday November 6th, we are going to have a "Bring some Chocolate to School" day**. If your children could bring some chocolate items along to school on this day it would be greatly appreciated. On Fair day the chocolate wheel is always well supported – this chocolate collection day will ensure we have enough prizes to make it successful. Any other non-chocolate prizes that you think would also be suitable for a chocolate wheel prize would also be very welcome.

PLANTS STALL:
Please pot up extra seedlings you have about your garden, plants that need splitting, cuttings you have done, succulents or house plants. It would be wonderful if you had a label on your contributions so our fair goers know what they are buying (and we know what we are selling), nothing fancy just a basic tag with the plant's name. Plants can be dropped to the school on the last Friday before the fair. Please leave them under the veranda outside the Tui classroom preferably at pick up on the Friday or even better the Saturday morning.
We are hoping to have some bread trays for the plants to be put into.
We are looking forward to gathering together your plant donations this year.

AUCTION ITEMS:
Any new unused items or vouchers that would be suitable to be auctioned would be gratefully received. If you could pass them in at the office now we will be able to compile our auction listing. This could include a personally created voucher where you might be able to offer a service (for example a two course cooked meal delivered, a few hours gardening work, a weekend stay in a holiday house) – anything would be gratefully received.
Items wanted – Keep putting aside any unwanted toys, good quality clothing and books you may want to donate! Spring is here, time to Spring clean and declutter!!!
DONATION SCHEDULE:
We need to manage the storage of the donated goods over the coming weeks so will be asking for different items at different times. For your planning purposes:
November 2 – 13 TOYS -drop-off to the Pool, or the office and we will get them to the Pool.
November 16-20 CLOTHES drop-off to the Library.
November 23-26 BOOKS drop-off to the Learning Street.
